MAKING A GOOD IMPRESSION

360° CUSTOMIZABLE SPORT BOTTLES

OUR PRO BOTTLES PRO TECHNOLOGIES

The system enables you to drink the desired amount. With a large opening you can easily refill and clean it

The largemouth valve helps you control the water flow. It also has a lockout lid to close during transport to prevent accidental leaks.

Check remaining water in the bottle with our clear models.

Material:
Food-grade polypropylene, BPA free.

STANDARDS:
Complies with food contact Regulation 10/2011.

THE CAP LOCKING SOLUTION

Twist the valve to lock it and to prevent any leakage. This is great for when you have to carry it in your bag. While in the "open" position the bottle is always ready to be used.
